

Privacy Policy

This Privacy Policy (hereinafter referred to as "Policy") defines handling of customer's personal information for the service (hereinafter referred to as "Service") provided by Pindata Co., Ltd. (hereinafter referred to as "Company")

Article 1 (Personal information)

"Personal information" refers to that as defined in the Personal Information Protection Law, and is information about living individuals that can be used to contact a specific individual.

Article 2 (Purpose of acquiring and using Personal Information)

The purposes for which we collect and use Personal Information are as follows.

- 1) To provide and operate our services
- 2) To respond to inquiries from customers (including verifying their identity)
- 3) To notify our update information such as new functions, updates, campaigns and so on via mail or other method
- 4) To contact you for maintenance and important notices if necessary
- 5) To identify the customers who violate the terms of use or try to use the service for fraudulent or unreasonable purposes. We may request them to refuse continuous usage
- 6) To allow the customers to view, change, delete, or view the usage status of their own registration information
- 7) To request customers to pay fee for the paid service
- 8) To perform the related items to the above articles

Article 3 (Acquisition and Control of Personal Information)

When customers register for use, we may ask for personal information within the legal scope to achieve the above purpose of use .

In addition, we may obtain information related to transaction records and settlements, including customer's personal information made between the customer and the Handling Business Operator(HBO) or the relevant business operator designated by the Company.

If the customer permit to use the services of the HBO, the customer's account will be managed in accordance with the privacy policies of the Company and HBO

Article 4 (Provision of Personal Information to a Third Party)

We will not provide personal data to a third party without the prior consent of the customer beyond the scope of the purpose of use.

However, this does not be applied if there are examples stipulated by law.

Article 5 (Inquiry, correction, deletion of Personal Information)

If the customer wishes to inquire, correct, or delete his / her personal information, please contact us from the inquiry window for the customer and we will respond promptly within a reasonable range.

Article 6 (Change of privacy policy)

1. The contents of this policy can be changed without notifying the customer, except for laws and regulations and other matters specified otherwise in this policy.
2. Unless otherwise specified by the Company, the changed privacy policy shall take effect from the time it is posted on this website.

Article 7 (Inquiries)
